Dear C-N Comics News,  
I just finished Scooby-Doo #15 and it was fantastic! I really like Scooby-Doo and his comics. I liked the story about Atlantis where if you wish for anything, it will come true. If I was in Atlantis I would wish for every comic of Scooby-Doo.

Abe Kretzman  
Brainerd, MN

***(You don't have to go to Atlantis, Abe. Just try your local comic store each month. Thanks so much for the kind words.)***

Dear C-N Comics News,  
Thank you for the Frankenstein Jr. and Buzz Conroy with The Impossibles. That's the best book you've made so far. Please keep up the good work!

Tim Leach  
Pawtucket, RI

***(Thanks, Tim. We received a lot of mail like yours which made us feel so good. Bet you'll love Space Ghost too.)***

Dear C-N Comics News,  
I am a fan of your Hanna-Barbera Presents Comics and the issues of Scooby-Doo done by Evanier and Spiegler. I previously wrote a letter asking if I was able to order back issues of Hanna-Barbera Presents #7, featuring Wacky Races. Could you tell me?

Phillip O'Dell  
Houston, Texas

***(Phillip, we've tried keeping people up-to-date on back issues in this department. We only have those issues available that are advertised in each comic.)***

***We do not have full stock of all issues. So please look in this current issue and you'll find an ad telling you what issues you can buy at this moment. Or do try your local comic book store that has a back issues department.)***

Dear Scooby-Doo,  
Are you scared when there are ghosts? I would be if I saw a ghost. What is it like to be a cartoon? Do you like it or hate it? I would like it because kids would like it.

Kalen Martin  
Saltville, VA

***(Ralen, Ri'm scared rhen Ri ree a ghost. Rou too? Rhat rou you mean rhen rou say Ri'm a rartoon? Ri'm not real? Roh, no! Ron't tell me rhat!)***

Dear C-N Comics News,  
I am 35 years old and I adore The Flintstones! I have over 2000 Flintstones items and I enjoy adding your comics

to my collection that dates back to the Stone Ages. Great job on the comics. Thank you very much.

Sally Stypczynski  
Mishawaka, IN

***(No thank you, Sally. So glad that we can still entertain someone with as much Flintstones experience as you. May you keep enjoying them!)***

Dear C-N Comics News,  
I think Scooby-Doo should meet Archie, Jughead and the rest of the gang in Riverdale. I know that would be a miracle mystery. Excellent artwork, man!

Scott Birch  
Brackenridge, PA

***(Good idea, man! Well, we'll see what can be worked out. Thanks for the wonderful letter, Scott.)***
